Preliminary Plat Application Instructions

Following a required concept meeting with City of Hogansville administrative staff, an application for a preliminary plat must be completed and signed by the applicant and submitted to City Hall at least 7 days before the next regularly scheduled Planning Commission meeting.

The Planning Commission will consider the application at its next regular meeting. In order that any questions that arise may be answered, your presence at the meeting will be required. It is the practice of the Commission to deny any application where the applicant is not present. Witnesses may be called, and the applicant has the right to question any witness.

The Commission may, at its sole discretion, recommend or limitation to a request which may be necessary to protect adjacent property owners and the public good. If at any time after the preliminary plat has been approved by City Council, the zoning administrator or building inspector finds that the conditions imposed and the agreements made have not been or are not being fulfilled by the holder of the application, the plat shall be terminated.
